Application Deadline

- **May Start:** Monday, April 15, 2023
- **September Start:** Monday, July 17, 2023

Please submit your application to the Chemistry Main Office (Michelle Boutilier) or by email to gradadm@chem.queensu.ca

Note: The number of students admitted to this program is limited by available funding at the supervisor and departmental levels. If you are not selected for this program it does not mean that you would not be accepted as a regular Master's student (by applying next year for admission in Fall 2024). Students accepted into the Accelerated Master's Combined BSCh/MSc program will still need to apply for admission to MSc studies, and would receive advanced standing if subsequently admitted by the School of Graduate Studies.
