TEACHING POSITION AVAILABLE – Summer / 2020
CHEM 113/3.0 – General Chemistry I
Department of Chemistry
Queen’s University, Kingston, ON CAN K7L 3N6

The Department of Chemistry at Queen’s University invites applications from suitably qualified candidates interested in teaching a course in General Chemistry I (CHEM 113). This is an on-line, introductory course with an expected enrolment of ~95 students. Candidates should have a Ph.D, and teaching experience at the University level in (Chemistry). This is a (summer) term appointment for the period (May 1, 2020) to (June 30, 2020), with classes in session from (May 4, 2020) to (June 15, 2020).

The University invites applications from all qualified individuals. Queen’s is committed to employment equity and diversity in the workplace and welcomes applications from women, visible minorities, Aboriginal peoples, persons with disabilities, and LGBTQ persons. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.

The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant’s accessibility needs. If you require accommodation during this process, please contact: Department of Chemistry, Barb Armstrong, email address: adm@chem.queensu.ca, phone 613-533-2624.

The academic staff at Queen's University are governed by the Collective Agreement between the Queen's University Faculty Association (QUFA) and the University, which is posted at http://www.queensu.ca/facultyrelations/faculty-librarians-and-archivists/queens-qufa-collective-agreement.

To comply with Federal laws, the University is obliged to gather statistical information about how many applicants for each job vacancy are Canadian citizens / permanent residents of Canada. Applicants need not identify their country of origin or citizenship, however, all applications must include one of the following statements: “I am a Canadian citizen / permanent resident of Canada”; OR, “I am not a Canadian citizen / permanent resident of Canada”. Applications that do not include this information will be deemed incomplete.

Applications should include a complete and current curriculum vitae, letters of reference from two (2) referees, and any other relevant materials the candidate wishes to submit for consideration such as a letter of intent, teaching dossier, etc. Please arrange to have applications and supporting letters sent directly to:

Dr. Richard Oleschuk, Acting Head
Department of Chemistry
Queen’s University
Kingston Ontario Canada K7L 3N6
depthead@chem.queensu.ca

Applications will be received until (March 6, 2020). Review of applications will commence shortly thereafter, and the final appointment is subject to budgetary approval. Additional information about the Department of Chemistry can be found at http://www.chem.queensu.ca.

Course Description:
CHEM 113/3.0-General Chemistry I
A quantitative treatment of chemical phenomena and materials. Critical thinking and problem solving are emphasized. Topics include atomic structure and molecular bonding, organic chemistry, polymers, proteins, and condensed phases.
NOTE Only offered online. Consult Continuing and Distance Studies.
NOTE Not normally intended for on-campus degree plans and certificates.
NOTE Not appropriate for pre and upper level courses that have a laboratory component.
LEARNING HOURS 123 (51O;72P)
RECOMMENDATION 4U Chemistry.
EXCLUSION No more than 6.0 units from CHEM 112/6.0 or (CHEM 113/3.0 and CHEM 114/3.0).
Offered in an online format on Moodle through Continuing and Distance Studies.
